

One Block Off The Grid

• YOUR COMMUNITY'S COLLECTIVE BUYING GROUP FOR HOUSEHOLD SOLAR •

SIGN UP today and join your neighbors in making solar affordable, reliable, and mainstream.

We solve 3 problems with installing solar in your home

1. It is expensive
2. Technology makes the buying process confusing
3. Consumers don't know who to trust

What does it mean to *sign up*???

Signing up means you are interested in solar power, but don't know much about the process of acquiring it.

Signing up means you can receive a free and objective evaluation of your house where you can ask all the questions you want.

Signing up **DOES NOT** mean you are buying something.

SAFETY IN NUMBERS, SAVING IN NUMBERS
